- For **Blend Down** seat cushion and **toss pillow option** (available at an upcharge) – add BD to item number. Standard seat cushion and toss pillow will ship if not specified.
- For **LuxDown** **toss pillow option** (available at an upcharge) - add LD to order form.
- Pillow trim or contrast welt available at an upcharge.
- Width varies depending on arm style.

- Indicates that this piece is also available with a power motion recliner on the seat next to the arm. To order this piece with the power option add a P to the end of the style number.
- Power piece requires a 3" wall clearance.
- All styles with power have semi-attached backs. No loose backs.
- For rooms with high-pile carpeting, we recommend the **TALL LEG** option (no charge) for all F9 and L9 power motion pieces. This adds 1" of clearance to ensure the reclining mechanism opens smoothly. Apply this option to all pieces in the room so the legs match. This will increase the overall height, seat height, and arm height by one inch.
