- [®] Indicates that this piece is also available with a power motion recliner (at an upcharge) on the seat next to the arm. Add P to item number for power motion.
- Power piece requires a 3" wall clearance.
 - For rooms with high-pile carpeting, we recommend the TALL LEG option (no charge) for all F9 and L9 power motion pieces. This adds 1" of clearance to ensure the reclining mechanism opens smoothly. Apply this option to all pieces in the room so the legs match. This will increase the overall height, seat height, and arm height by one inch.
 - Width varies depending on arm style.

Note: L9 orders cannot be cancelled once placed.

See website or catalog for finishes.
